Conference Objective

The objective of ICAMES-2K20 is to present the latest research and results of scientists (preferred students, post graduate Students, Research Scholars and post-doc scientists) related to Mechanical Engineering sciences. The conference will feature traditional paper presentations as well as keynote speeches by prominent speakers who will focus on related state-of-the-art technologies in the areas of the conference.

Now-a-days the academia and researchers are not only pondering but also experiencing the overwhelming outcomes of interdisciplinary researches. Moreover, it has been ubiquitously encouraged by the governments, research agencies and by the academic institutions. The intent behind the multidisciplinary international conference is to provide a common platform, where academia, delegates from industry and nominees from various Government and Private Universities and Institutions can sit together, and cherish about achievements so far, as well as deliberate upon futuristic approaches along with major bottlenecks. The deliberations will not only encompass all avenues of electrical, electronics, computer science and information technology but also through spotlight on positive and inadvertent impact of modern technologies on society.

P.E.S. COLLEGE OF ENGINEERING

(Autonomous Institution affiliated to Visvesvaraya Technological University, Belagavi / Approved By AICTE, New Delhi / Accredited by NBA (Six Programs) and NAAC, New Delhi, 161th Rank in NIRF India Rankings 2019)

2nd International Conference on

Advances in Mechanical Engineering Sciences

ICAMES - 2K20

28th - 29th February 2020

Organized by

Department of Mechanical Engineering Sciences

(Automobile, Industrial & Production and Mechanical Engineering)

Supported by

Technical Education Quality Improvement
Programme (TEQIP-III)

In collaboration with Institute for Engineering Research and
Publication (IFERP), Twinning Partner UNSIET, VBSPU,
Jaunpur, UP and in association with Binghamton University,
State University of New York.

Camera Ready Paper Submission

Submit Camera ready paper as per the guidelines

Author Guidelines

Papers are invited from research scholars, Faculty of colleges, PG students and Industries.

The manuscript should be 1.5 spacing, Times New Roman 10 Font size and Double column and to be submitted to the conference coordinator through info@icames.net

Maximum allowed pages while submitting camera ready paper is six, extra pages will be charged with INR 200 for per page.

Author/Co-Author Registration Fee Includes:

1. Participation in the technical program of upto two author/co-authors
2. Welcome reception
3. Badge
4. IFERP Conference Bag
5. Conference Accessories/Kits
6. Certificates for author and co-authors
7. IFERP Conference Proceeding
8. IFERP Conference Proceeding CD
9. Coffee breaks
10. Lunch
11. Awards Ceremony
