Dear Program Heads and Course Instructors,

**Subject: Request for Extra Classes for First-Year B.E. Engineering Students.**

As we near the mid-semester mark, it's crucial to support our first-year B.E. Engineering students. We propose conducting extra classes to address their difficulties in grasping certain concepts.

**Extra classes scheduled @ 4.30pm daily from 8/4/24 (Monday-Friday).**

Your cooperation in conducting these sessions is essential for our students' academic success. Please find the list of faculties enclosed for your reference (as from your recommendation, kindly convey this message to the respective faculty).
