

The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms:

Methodology of Operation

Methodologies of operations and outcome are given below:

- ✚ College Council works in co-operation with Dean's office in curriculum planning and in designing programmes and courses
- ✚ Preparation of course plan at the beginning of academic year and updating work diary commensurate with course plan
- ✚ Providing guidance in adopting various teaching learning methods for courses by faculty members
- ✚ Incorporation of practical component, field visit, internships and other experiential learning methods that are relevant in respective disciplines
- ✚ College Council supports IQAC, reviews and monitors the efficiency of teaching-learning process.

iii. Outcome

- ✚ Measurable progress in student performance
- ✚ Acceleration in the number of academic programs
- ✚ Increased visibility of the institution
- ✚ Improvement in the efficiency of teaching-learning process
- ✚ Enhanced student employment opportunities

File No. 25-93-2010-NBA

Dated: 28.05.2020

To

The Principal
PES College of Engineering,
Mandya-571401, Karnataka

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier-I offered by PES College of Engineering, Mandya-571401, Karnataka.

Sir,

This is regarding Compliance Report submitted by PES College of Engineering, Mandya-571401, Karnataka for the UG Engineering programs which were provisionally accredited by NBA in Tier-I for academic years 2017-18 to 2019-20 whose validity is expiring on 30.06.2020.

2. An Expert Team conducted data verification of the programs on 21st February, 2020. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-I	Accredited	Academic Years 2020-2021 to 2022-2023 i.e. Up to 30-06-2023	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Civil Engineering		Accredited		
3.	Mechanical Engineering		Accredited		
4.	Automobile Engineering		Accredited		
5.	Information Science & Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to PES College of Engineering, Mandya-571401, Karnataka as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programs accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd/-

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
7. A copy each of the Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

Encls: Copy each of the Report of the Visiting Team in respect of the programs.
