

## **Parent Consent for sending their ward to college for offline classes during COVID-19 pandemic**

Dear Parent,

Greetings from PESCE, Mandya,

Karnataka Government has given directions for opening of professional colleges from 17<sup>th</sup> November 2020 onwards and permitting the educational institutions to conduct off line classes to students strictly following the SoP as per the Government and University Directions.

In this regard, the Government has requested the institutions to get the feedback and consent from the parents and students before resuming their activities in the college premises.

We, at PESCE, Mandya have made elaborate arrangements for conducting the offline classes with standard operating procedures. The entire campus is sanitized. All labs, class rooms and study areas have been cleaned up.

We request the co-operation of all parents in sending your wards to the college along with your valuable mandatory advice to wear the mask, always maintain social distance & wash hands / sanitize as often as possible. Without mask and thermal screening students are not permitted to enter inside the campus. With these precautions we are confident of maneuvering COVID- 19.

With this, we seek your consent for sending your ward to the institution: The scanned copy of this form should be submitted to the respective Head of the departments
